

Message from the Secretary of Road Transport & Highways, Government of India

संजय मित्रा
SANJAY MITRA

सचिव

SECRETARY

भारत सरकार

GOVERNMENT OF INDIA

सड़क परिवहन और राजमार्ग मंत्रालय

MINISTRY OF ROAD TRANSPORT & HIGHWAYS

The 18th IRF World Road Meeting will discuss innovations, challenges and success stories in the development of roads around the world. These discussions will be guided by the theme, "Safe Roads and Smart Mobility : the Engines of Economic Growth". A key aspect of the World Road Meeting will be the Global Summit, with participation from countries across the world. I hope the expert deliberations in various technical sessions during 18th IRF World Road Meeting during November 14-17, 2017 would address all issues relevant for the development of roads and road infrastructure. The mega Conference will address the various issues relating to safe roads, mobility, challenges, managing road assets and innovative road infrastructure. An exhibition designed to offer opportunities for organisation and business to profile their work, display their products and meet with potential partners and buyers from across the world will be a major highlight.

On behalf of the Ministry of Road Transport and Highways, I welcome all the participants of the Conference, the Exhibition and the Summit and wish the deliberations at the 18th IRF World Road Meeting all success.

SANJAY MITRA

Secretary,

Ministry of Road Transport & Highways
